Dear Parents, Children and Staff

A busy last week of term before half term with the whole school taking part in the **Hope for Haiti Swimathon and Run** on Monday. The event was superbly organised by Mr Judd and the children really got into the spirit of the event, trying their best to swim and run as many laps as possible. Needless to say, they have raised THOUSANDS of pounds between them. Freya in Y6 also raised over £100 through the sale of home-baked cakes after the event. They were enjoyed by everyone (I had to buy three for quality control purposes). Well done to all the children, you should be very proud of your magnificent efforts to help others in need.

Y0 Denham Class held a fantastic **International Picnic** on Monday. All the parents contributed bringing in delicious

food dishes from around the world for the children and staff to sample and enjoy. This was a very creative and fun experience for some of our youngest children and I was delighted to receive an invitation—thank you!

The rehearsals for the **Choral Concert at Eton College** and the UP Play '**Hoodwinked**' are continuing apace—we are in for a treat with both productions and I do hope you will be able to attend these exciting events after half term.

Talking of the holiday, all children in Y1-Y6 have **holiday homework** to write a book review or to complete a creative writing assignment. I look forward to reading them after we get back!

Best wishes,

Nicholas Owlett M.Ed, NPQH
