Dear Parents, Children and Staff

I am pleased to bring news that the **pool repairs** have now been completed and we are hoping the water temperature will be back to normal by Monday morning so come prepared! More information is overleaf. Thank you for bearing with us as the major repair was completed.

Y6 have already started their **11+** grammar school entrance exams with their first exam taken at Slough Grammar School last Saturday. It is an important time for them and they are working hard with an extra test paper taking place this morning. Practice makes perfect as they say. It's not all hard slog though as they have their first **Y6 Youth Club** of this year this evening from 7pm. It will be great to see the 2009 Leavers return with their exciting news from their secondary schools.

Next Monday sees an important new chapter in the life of

the school as '**The Friends of the Langley Manor School**' starts work as our new PTA. I would like to thank the 15 parent members and two teacher reps who have volunteered their time to take part. The main aim of **FOLMS** is exactly that—to be a friend of the school, to help home-school communications and to organise fun events for the school community. Notes will be sent home after each meeting and all parents will invited to the AGM later in the academic year.

Finally I am delighted with the take-up for the **Y4-6 Rome & Pompeii Trip**. Over 25 children and parents have signed up for this exciting new trip to explore Rome and the lost city of Pompeii next May.

Enjoy the sunny weather this weekend!

Swimming Pool Update

We are delighted the pool repairs are now complete and we are hoping the temperature will be back to normal by Monday morning. We will try to make up for missed lessons or make adjustments to the fee invoice if this is not possible.
