Dear Parents, Children and Staff

The **Autumn Disco** last week— what a cracker! Over 100 children attended this event along with dozens of parents and friends. The children had lots of fun and **FOLMS** raised over £400 which will be put towards the low-level activity playground which will be built in 2010. Thank you to all the parent volunteers for working so hard to bring it all together.

When I told one of the boys who was about to represent the school in an away rugby match to go out and 'thrash them' it was of course said very much tongue in cheek! I had no idea that they would go out and do exactly that—not only Y3/4 winning against Danesfield but the Y5/6 team went on to exact their revenge against St. Bernard's in an exciting match on Wednesday. Well done to all the players and to Coach Hill who is doing such a great job with the teams.

The power of words were explored further at our **Pupil Achievement Day** this week when the children learned about how to be safe in cyberspace and how to be kind to others by not

being 'mean on the screen'. The children have created some interesting display work on this topic and they all went home with a cyber-bug as a memento of the day. "So that's what it is", I hear you say! Thank you to Mrs Fallows for organising such an important event for our children.

I was so impressed with Y6 on Thursday with their exciting interactive assembly about their visit to **Cadbury's World**. The assembly had everything including an opportunity for everyone to taste some chocolate! Well done and thank you to all involved—many of you had learned your lines off by heart. Fantastic effort!

As you may have noticed, the festive season is almost upon us. I do hope you have booked us in your diaries for the **EY/LP nativity play**, the **UP Carol Concert** and the **Carols Around the Tree** events. More details are on the website. Come and celebrate with the children and staff!

Best wishes,
Nicholas Owlett M.Ed

RUGBY RESULTS

Our Year 5/6 Rugby team took revenge on St Bernard's this week after the disappointing result against them recently. St Bernard's started fast scoring the first try but this triggered LMS on to play some fantastic Rugby for the rest of the match. Taran Gill scored the equalising try when he drove at their defence with power and determination to make the score 5-5 at half time. In a fierce competitive second period LMS kept the pressure up and Daniel Frewin went through challenge after challenge to score the winning try. Miles Peters was man of the match for his outstanding tackling throughout the afternoon. Well done to the whole team on a 10-5 victory, you earned it!

Lost Property

Tim Holland in Year 6 has lost his Adidas watch. The watch was left in the boy's changing rooms and has a black strap, with white stripes, a rotating outer rim and luminous hands. Please can you check that you have not picked this up by mistake.

Year 3/4 Rugby

Last Friday Langley Manor School hosted an 8-a-side, 4 team Tag Rugby event on the sports field against Danesfield Manor School. The 4 teams involved had a great afternoons Rugby and were all very determined to win every match. LMS-A proved to be the strongest team on the day. Well done to A. Byfield, J.Kalhar, H. Peters, G.Embleton, J. Chapman, N.Harrison, and M. Hazleton for their try scoring ability.

Footwear!

Please send in a change of footwear for games on Wednesdays for Yr 5 & 6 and on Fridays for Yr 3 & 4. It's very muddy at this time of year and the children need to bring in boots in a boot-bag along with a pair of trainers for use in school. Sorry—any children without proper footwear will be unable to take part in games.
