Dear Parents, Children and Staff

Year 5 enjoyed a superb visit to the world-class **National Gallery** in London on Tuesday as part of their studies on art and creative writing. The visit also fits in with the theme of this year's Open Day which is 'Making an Impression'. The children were excellent ambassadors for the school and enjoyed the visit and workshops. Displays of their work will be on display in time for the **Parent Evenings** next week. Thank you to all the parents who have returned their parent evening slips already.

I am pleased that a number of items raised at FOLMS have now been actioned. The new salt and grit container arrived on Thursday and the Early Years 'Brightkidz' jackets have also arrived. These will be worn by the children in Nursery, Reception and Years 1 & 2 on trips and visits to make them more visible. I hope you have put the **FOLMS Quiz and Movie Night** in your diaries—Friday 5th March which

also happens to be the day when the children will celebrate **World Book Day** by coming to school dressed up as their favourite book character. It will be a great day in school.

Thanks to all the Y5 and Y6 parents who came to the coffee mornings this week—your feedback and suggestions are always helpful. The Y4 coffee morning takes place next Thursday when Mrs Rogers will be on hand to meet you.

Lastly you should have received a **Yellow Moon Craft and Activities Catalogue** in your child's schoolbag this week. This is a great way that we can raise money for the school. Orders should be placed online or over the telephone directly with Yellow Moon and the LMS source code SLA1167 quoted for the school to benefit with cashback from your order.

Best wishes,
Nicholas Owlett M.Ed, NPQH
