## Dear Parents, Children and Staff

There are some weeks when so much is going on you don't know where to start! To begin with, the school went 'chick-crazy' as the first of six chicks hatched out as part of our amazing **Living Eggs Project**. The children and staff alike have been fascinated to watch their development. Many classes have been keeping journals as the chicks grow bigger and stronger.

The project continues for one more week before they leave us for their free-range farm!

Y4 enjoyed a superb trip to the **Imperial War Museum** on Tuesday. The trip linked in to their history topics and extracts from their diaries are published overleaf. Well done Y4!

Y5/6 sang beautifully at the **CfBT School Choral Concert** at Eton College on Thursday. It was a tremendous success

and many thanks are owed to Miss Killian and Mrs Simmons for bringing out the best in all the children. Thank you to all the parents and FOLMS members who came along to watch the memorable concert. The theme was linked to the **Haiti Appeal** which I am delighted to inform you has now raised **£4,495** for the DEC Appeal—what a phenomenal achievement!

The children loved dressing up for **World Book Day** on Friday and enjoyed the book fair with many new books purchased. Lastly the week rounded off with a fantastic **FOLMS Quiz and Movie Night**, enjoyed by over 120 parents, staff and children. Many thanks to FOLMS for making the evening such a success.

Best wishes,  
Nick Owlett, School Principal

### Year 4 Trip

Year 4 had an exciting visit to The Imperial War Museum in London on Tuesday! Here are some extracts from the children's accounts of their day.

*"First we visited the place where we could look at the weapons and the famous people of that time. We also heard the announcement that Neville Chamberlain made when we were at war with Germany"*

**By Harmonjot Herr**

*"When we went to the Blitz experience there was an ARP (Air Raid Precaution) warden who talked to us about how life was in the Blitz then! A man came and said there has been an Air Raid! We all knew it was a joke but we acted like it wasn't and he took us to a street which was dark and spooky."*

**By Joban Kalhar**

*"After that we went in a 1940 house. The kitchen was much dirtier than mine and it did not have as much food as I do. That was because of the rationing and in the living room there was a Morrison shelter."*

**By Lauren Munn**
