Dear Parents, Children and Staff

Such a busy week since we all returned from the half term break! We were delighted to welcome **Mrs Rogers** back to the school in Y4—she has made a flying start and is settling in well.

I am pleased to say that the **IT upgrade** has been completed with a powerful new server installed and all the computers in the ICT suite now up and running. Our IT capability has been significantly improved with all children in Y5/6 having their own usernames and all staff being given email addresses. Guidance on our home school communications policy will be published before the end of term.

The children in UP have been rehearsing for both the **CfBT Choral Festival** and their play **Hoodwinked**. Letters are

coming home today about how to order your tickets so please place your orders quickly to avoid disappointment! Please encourage your children to practice their lines at home as part of the rehearsal process.

Tickets are on sale in the school office for the **FOLMS Quiz Night** on Friday 5th March. It will be a fun night so buy your tickets now!

We are all very excited about the **Living Eggs Project** that Mrs Bath is running from Monday. Watch this space for updates on the newest arrivals at Langley Manor!

Congratulations to the Y5/6 Girls Netball team—a great result against DMS this week!

Best wishes,

Nicholas Owlett M.Ed, NPQH
School Principal

Netball Success!

On Wednesday, 24th February our girls had netball matches V Danesfield Manor School.

The year 3 & 4 girls were up first and played really well for their very first match. The final score was a very credible 1-1 draw. All girls tried hard & enjoyed the game.

Our year 5 & 6 girls played next. Right from the start they were up for the challenge. Both teams played extremely well and the final score was 4-1 to Langley Manor, Brilliant!

Congratulations!

Well done to all the girls who played and those who cheered them on, the support really does make a difference.

Keep up the good work.

Mrs Forster

Living Eggs

The children are all very excited about the arrival of our 'Living Eggs' next Monday. They will be with us for 2 weeks, and we are looking forward to seeing them hatch during the first few days. There will be lots of science and art, maths and literacy work around this event- so look out for the display later in the year!

MouseWizards

Does your child enjoy using the computer?

There are still a limited number of spaces available, if your child would like to join the MouseWizards lunch clubs after half term.
